

TECHNO DEMO DAY 9.19.2025

Directions:

LBB's Techno Demo Day will be at Tallahassee State College (TSC) in the Student Union Ballroom. The Student Union building #35 has "SU" in large yellow letters on the building. Although the address for Tallahassee State College is 444 Appleyard Drive, the Student Union building is located off Progress Drive.

From Appleyard, turn right on Pensacola Street. Then turn right on Progress Drive – the Student Union is on the right.

Lighthouse staff will be wearing white long-sleeved shirts with the Techno Demo Day logo on them, and we will have staff located at all 3 entrances to the Student Union building to assist attendees as needed. Please note, there is a circle drive at the Student Union building.
